**N**avigating the gaping fuck-holes of Aliz's incredible sexual voyage is like reading a map detailing the dark twisted backroads of passion's outer limits. It stretches from Aliz's mouth, to the beautiful birthplace of life itself, to a literal shit hole. Today, all of those magical openings have been transformed into pleasure centers for Ian and Choky's amusement. The boys stretch her dripping doorways to the max, and the slap of balls against skin creates a tribal rhythm of lust, Aliz's ecstatic moans an orgasmic aria. This power trio sure makes beautiful music together.♣

## MILF TRIANGLE

After the break up with my cheating ex, I decided to go all out—I literally fucked any girl that walked, but the one thing I really wanted and dreamed about was a three-some. Then, my luck changed, oddly enough, when I was doing laundry.

I put my stuff in the dryer and went back up to my apartment, but when I came back and saw that my clothes were missing, I threw a fit, asking everyone if they saw my stuff. No one did, except for Cheryl—a hot mid 40s divorcee who said she moved my stuff because another person needed it. I felt bad about losing my cool, and I noticed that Cheryl wasn't only sweet, but her ass looked fine every time she bent over to grab the rest of her clothes. I offered to take her out for a drink later, but when she said she was meeting her other friend, Linda, I was more than happy to treat them to a nice night out.

I was shocked that both Cheryl and Linda were as hot as they were, and after a few drinks, they suggested going back to Linda's. I didn't hesitate and knew this was my big shot. Before we even got in the door, both women were clawing at me—taking off my clothes, but when Linda knelt down, unzipped my pants, and released my pulsing

prick for her to taste, I was a goner. They both felt so soft and supple, and once Cheryl pulled off her shirts, my mouth was like a moth to a flame to her hard nubbins.

Watching Linda suck my cock from down below was spurring me on so much, I was afraid I was going to burst right then and there, so when we moved to the bedroom, I laid down on my back while Linda sat on my massive mast. I told Cheryl to sit on my face so I could suckle her swollen button, and just as she did that, the seasoned ladies kissed, before Linda creamed all over my cock and down my balls. It was only a matter of time before I was swallowing scads of Cheryl's MILF milk, and just as she got off, the two women were taking turns inhaling my pole and sucking my balls that when I busted my nut, I couldn't help but splatter each of their faces with my frothy explosion, while watching them swap my semen in their mouths.

Since then, I have settled down—with two of the hottest, most worldly sluts of them all, and I couldn't be happier.

vacation. I had to suck it up and go to my neighbor, John's house—a bachelor known for his womanizing ways. In the past, I would roll my eyes while waving "Hello" to him—and whatever flavor of the hour was walking out of his house with him. "Fuck it," I said, hiding my cleavage in my v-neck shirt and adjusting my already too-short shorts. "Just ask for the two cups of sugar and be on your way." Shutting the stove off, I sauntered next door

to John's who was working on his car.

With the summer near its end, we were both glowing from the last of the heat, while I asked him politely for the sugar. He laughed at my clichéd approach, but when we walked inside, I finally saw why so many women fell for him—even though I promised myself I was not going to be one of them.

He oozed sex, and his charm was making the wet spot in my denim cut-offs so noticeable, but when he asked my why I needed the sugar, I found myself stuttering—aching for his cock in my quaking pussy.

"I...er...I'm making a cake for my friend. It's her birthday, so..." I said, holding myself up against the granite countertop as he walked towards me.

"You're a very good friend," he whispered, licking my neck. "I bet you're an even better fuck."

I pressed my hips against his—feeling his bulge grow rapidly against my sweaty thighs, and when he licked my neck again, then put a dollop of sugar on my neck—licking it again, I gave in—kissing him deeply while pulling down his pants.

I stroked him lightly—loving the warmth and heft in my hands, but when his moans became too much to bear, I knelt down—licking the pre-cum from his sensitive head, before deep throating his entire eight inches in my hot mouth.

I couldn't believe how much I loved his fucking my face, but when my pussy juice rained from my aching hole down to his kitchen tile, I knew it was time to fuck.

I pulled myself up off the floor, and he was the one that propped me up on the cold counter. Giving my sweet lips a few puckers—I lightly quivered in my mouth until he stood up—teasing my pussy. I licked my fingers and dipped them into the sugar bowl, and when I traced my pussy lips with my crystal finger, he filled me up balls-deep—pounding me hard against the countertop.

I looked at his eyes, glazed over—much like the icing I was about to put on the cake in a few minutes, but the second I pressed on my burgeoning clit, I creamed—feeling my walls tighten against his pole.

He gently nibbled at my hard nipples before his cock twitched hard in my pussy—releasing his own boy batter deep inside. As the rest of his leftovers dribbled out from my tunnel, I scooped it up, licked what was left from my bawdy bowl, and left with exactly what I needed and then some.

See that, folks? Some fairy tales start off sour, but always end up sweet.

## BACKDOOR BUTTER CREAM

What I'm about to tell you sounds like it's ripped out of the pages of a filthy fairytale, but believe you me, every word is true.

I was making a cake for my friend's birthday, and naturally, I was missing the most important ingredient—sugar. I stood there, dumbfounded that I forgot such a focal part of the cake; that I didn't know what to do. It was too late to go to the stores, and the only neighbor I actually speak to was away on

*Her plans for the day included

**T** Tyler is the epitome of the boy next door with his natural good looks. Alyssa is also guilty of looking innocent, but when she shows up looking naughty and oh-so nice, innocence goes flying out the nearest bedroom window.

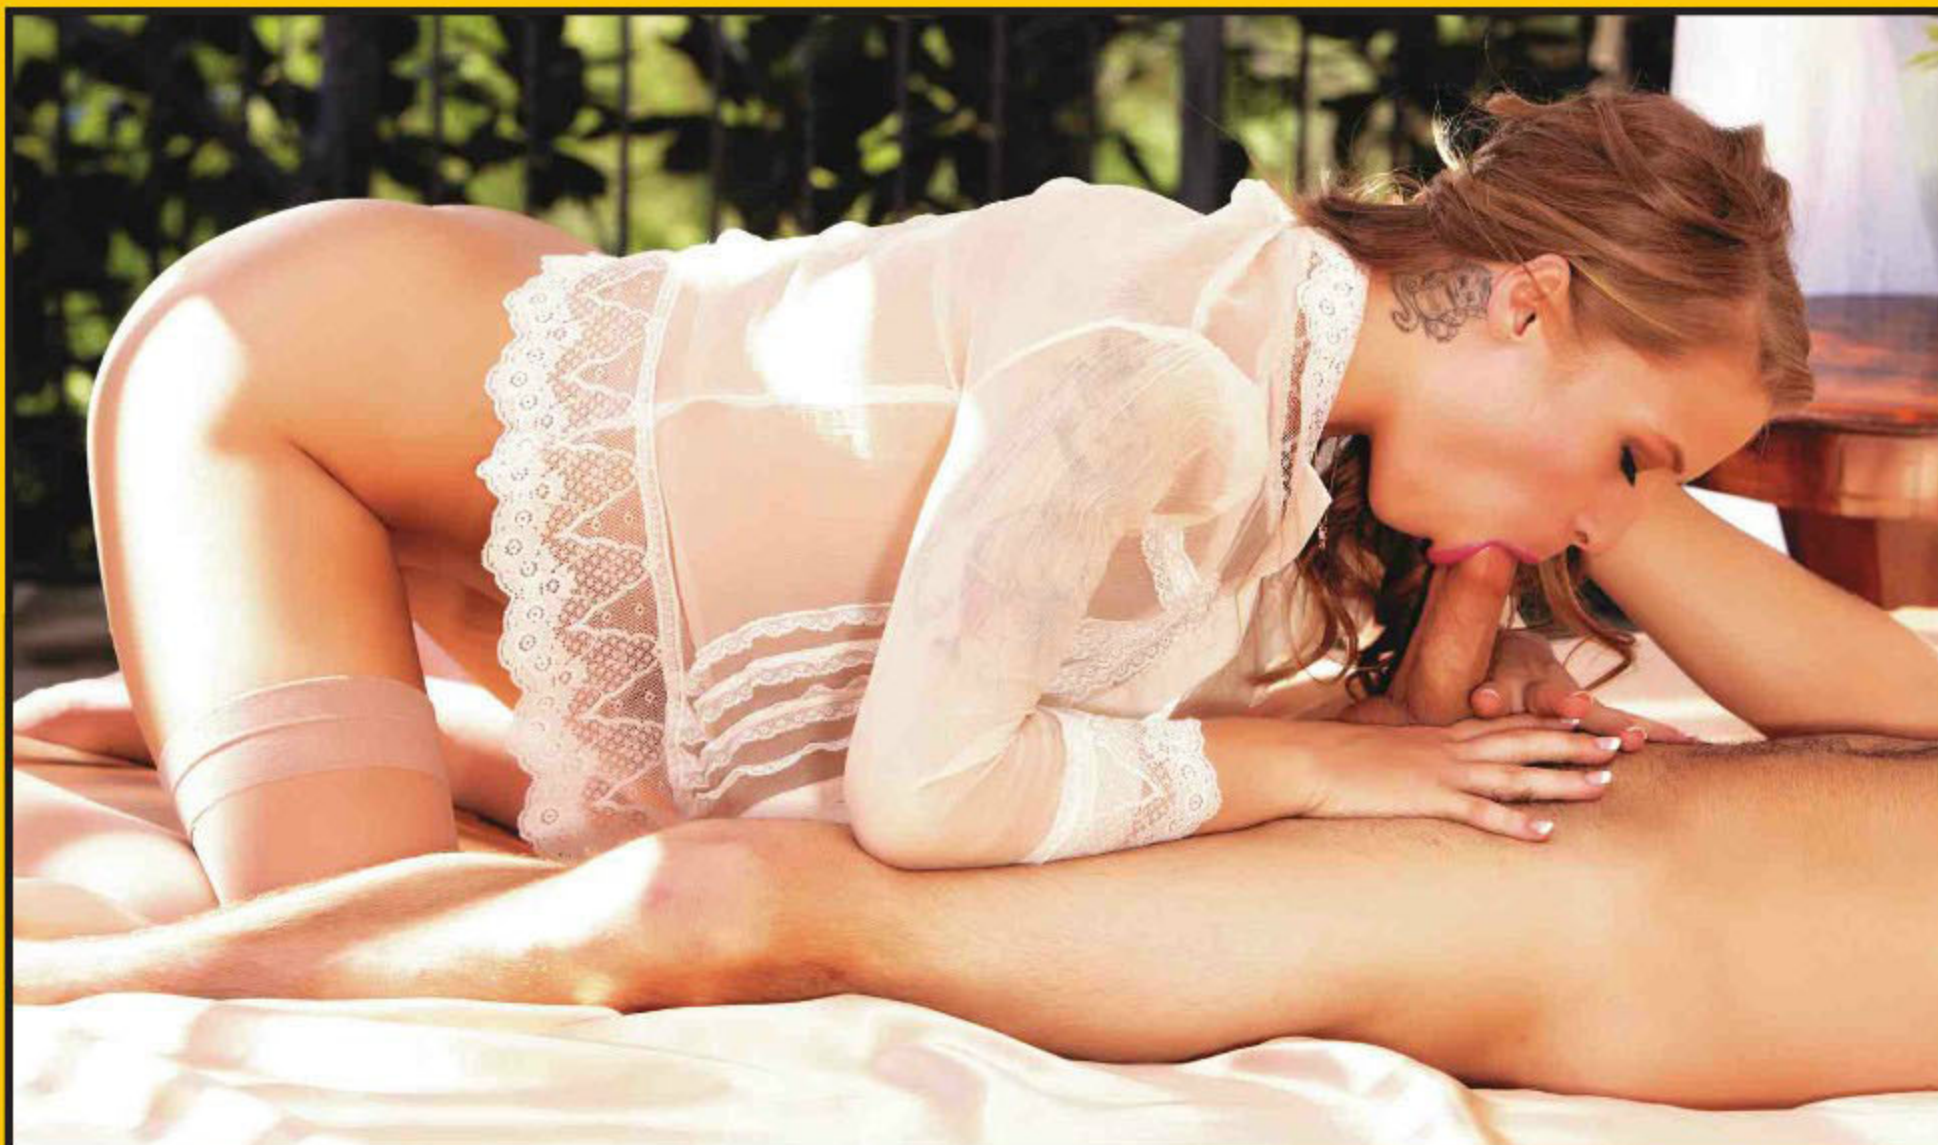

This adorable couple can't wait to get their hands on each other. Alyssa confesses that she used to be a bit shy about revealing her bite-size boobs, but Tyler immediately says, "I love to suck on Alyssa's nipple meat. Her cupcake-size titties are more than a mouthful."

Alyssa chimes in and expresses her delight over Tyler's rock-hard tool. "I love to give Tyler's tremendous hard-on a good licking before he slides it into my tight pussy."

Tyler can't contain himself anymore thanks to Alyssa's tight twilly and fucking skills. A "pop" on Alyssa's perky chest ends this passionate daytime quickie. Alyssa excitedly licks up the evidence of their afternoon delight before getting dressed and heading out the door. Innocent, indeed. Case closed. ♣

Axel Braun

**E**nding her one-year hiatus with a bang, adult sensation Riley Steele is making her return with *Riley Goes Gonzo*, this salacious debut as contract girl for Axel Braun Productions. Completely shedding her good girl image from her former days as a Digital Playground starlet, Riley is prepared to go balls-to-the-wall in the hopes of solidifying herself as one of adult's most salacious superstars of all time. Ready to ignite as the ultimate sex doll, Riley is determined to smash through her sexual boundaries, encouraging the super slut within herself to emerge. Luckily, CLUB has been granted a personal invitation to watch this former angel shed her angel wings.

Moments away from undergoing her sexual metamorphosis, Riley is set on actualizing the type of raw

and gritty performer she hopes to invoke through these five sexually charged scenarios. Under the watchful eye of four-time consecutive Director of the Year recipient Axel Braun, this dynamic duo is determined to carve out a distinctive path in which Riley intends to shine. With action called to the set, and an electric energy buzzing through the air like lightning bolts, it's time to sit back and take a deep breath. Riley is about to go gonzo!

The movie catches fire in the first scene as Riley playfully runs through the expanse of a grungy warehouse. Completely naked with her body smudged with grit, her feet blackened, and her dirty blonde hair wildly flowing behind her, Riley looks nothing short of sinful. As we watch her bodacious body in motion, we quickly spot a suited Erik Everhard giving chase to the sprinting starlet. It doesn't take long before he

catches her, eager to claim her with his stake.

Once connected, the two passionately kiss as if their life depended on getting each other off. As their tongues continue fluttering about, Erik starts by placing his hands on Riley's shoulders, aiming her southbound toward his hard cock. Uncoiling his snake into her mouth, Riley delivers an impressive blowjob that makes her bubbly lips spill over with spit and her beautiful blue eyes water.

As their encounter pushes forward, we find Erik's face completely wedged up Riley's perfect ass, lapping up the contents of both of her juicy holes. Once orally satiated, he gets her down and pummels her pussy in doggie position. With bright red pussy lips and the look of sexual bliss plastered across her pretty face, we can all tell that Erik is pushing all of Riley's buttons. Ending with an explosion of jizz across her face, the new Riley has officially been born.

Moving forward, Riley is staged in a stark white room, looking entirely glamorous in a sheer black dress. Offering a delicious contrast to the grit and grim of the previous scenario, Riley seems to glow in this space, as the natural sunlight from the window illuminates her body like a halo. For as angelic as she appears to be, Riley is quick to remind us that she is still as dirty as they come by revealing, "There's just something about those European men and the way they fuck me. I just love that uncut cock."

Just then, Toni Ribas and Ramon Nomar, two of the most aggressive Euro

woodsmen in the industry make their way onto the scene. Without any formal introductions, the men take full possession over Riley by positioning themselves on either side of her and putting her hot mouth to work. Ravenously ingesting each cock in turn, Riley seems as happy as a fat kid in a pie-eating contest. Gagging, spitting, sucking and stroking, Riley engulfs both dicks whole, using equal amounts of mouth, hands and spit.

Once it's time for pussy poking to begin, Toni spreads Riley's legs, taking his place behind her in spoon position. From this moment forward, Riley is seldom left without a cock hanging from her mouth and a pussy packed full of protein. While Toni steadily pounds Riley's pussy, Ramon packs her tonsils full of his Spanish sausage, developing a natural rhythm with Toni so that they can pull the best out of Riley. "Open your mouth," Ramon requests, causing her jaw to practically come unhinged when trying to stuff his balls between her cheeks.

Once Riley is flipped onto her back, the men switch places and Ramon gets his first feel of Riley's warm wetlands. "So fucking tight," Ramon charges in his thick Spanish accent, dead set on doing his part to loosen her up a bit. While all of this is going on, Toni is filling up Riley's mouth with his bat and balls until his belly is flush against her face. It's nothing short of monumental!

Afterwards, Riley reemerges onto the scene wearing a sexy referee outfit. She's positioned in a dilapidated bathroom, whose walls are stained with black check marks, no doubt signifying the number of men that Riley has gotten off. Looking to the camera, Riley purrs, "I want three guys to take complete control over me and do whatever they want."

Suddenly, the bathroom stalls kick open, one at a time, revealing three masked men in black outfits. Although nameless and faceless, what they all have in common is three hard dicks that are ready to be sucked. The men take turns with the perky blonde, getting her down onto her dirty knees. With three cocks hovering over her face, Riley looks to the camera with a sexy glint in her eye before morphing into a cock-crazed lunatic. Slamming cocks down her throat one at a time, Riley takes command of the room, securing her role as the ultimate hen in this room full of roosters. "More," Riley mouths, with saliva dripping down her mouth and hands as she makes her way around the circle of cocks.

With her hands and mouth in full motion from start to finish, it's awesome watching the darker side of her sexuality emerge. In time, Riley manages to take charge in this scenario, energetically working the genetic juice out of each skin hose. All we can say is add three more check marks to the wall!

Amidst all of this grit and grime, Riley pushes forward in a lusty lesbian encounter alongside her sexy contract sister, Aiden Ashley. Sprawled out in a beautiful pool, the lovely ladies do their part to caress and worship each other's wet bodies. Perfectly contrasting one another, Riley's blonde hair and physically altered body look amazing against Aiden's black hair and gothic-chic frame. What is equally matched, however, is their insatiable sexual appetite for tits and clits.

Tearing into one another with the same rabid force that is usually a characteristic of the male population, no real dick is missed in this scenario. Instead, Riley takes full pleasure in resting Aiden on the edge of the pool, devouring her porcelain pussy with her outstretched tongue. Bucking her rail-thin hips into her face, Aiden makes sure that Riley's tongue excavates her pussy as deeply as possible, causing her chin to glisten with strands of Aiden's girly goodness.

In direct response to the pleasure that her blonde playmate has bestowed upon her, Aiden fastens a strap-on cock around her waist and lures Riley out of the pool. Stretched out against a colorful towel, Riley gags on her fake black cock, treating it to the same oral expertise that she administered in her previous encounters.

Although hot to watch, the real piece de resistance of this female coupling happens when Aiden gets Riley down onto her hands and knees to take her cock in doggie. With thrusting hips, Aiden successfully has her blonde bombshell bubble over with beaver butter. It's a fantastic way to end this erotic interlude.

After the final scene commences, which is a solo masturbation session that has Riley energetically diddling her middle be-side a

brick fountain, the movie officially wraps. When asked what she thought about her initial stint at going gonzo, Riley purred, "I've always been shot the same way and was never in a position to express my sexuality on screen the way I really wanted to. Axel allowed me to push my boundaries and explore some of my darkest fantasies. I absolutely love the way the movie came out, and I literally feel like I'm reborn!"

After getting your hands on this explosively erotic achievement, we think you will happily agree!♣

# ADRIANA CHECHIK

*She's not satisfied until both of her  
holes are filled...*

**F**or a girl like Adriana finding a single ready, willing and able cock is no trouble. Finding multiple cocks that can satisfy her hungry cunt and asshole, however, can be. See, Adriana craves to be double stuffed and finding two dicks to derrick her dirty holes is a bit daunting. Few guys have a partner they want to double team with so Adriana resorts to rubber rods to rut in her horny hot pocket. It sounds like a problem, but based on these pix, it looks like she has everything under cunt-rol. ♣

# VERONICA & BILL

*These co-workers put in some  
XXX overtime...*

**“**I need to stretch,” Veronica says, getting up from her desk to stretch out her long legs. Walking over to Bill, she kisses him heartily, then takes out his screaming cock from his work pants. “See where I get my multitask skills from?” She mumbles, her mouth sticky with the pair of pearly pre-cum.

When Bill returns the favor on her slick slit, it isn't long before Veronica is begging for his rod inside of her. She lies on her back, splaying her legs apart across the desk. This girl is all business and knows exactly what to do and stretches her legs wide over him in cowgirl, plunging deeply on his rigid pole. Bouncing slowly at first to get used to his wide girth, she's soon working it hard.

“I've always been a people pleaser, and I do it so well,” Veronica brags, lifting her tight ass up in the air, with her puffy, pink pucker winking invitingly at his dripping wet stick.

Pistoning with incredible intensity causes Veronica's bag to drench Bill's pole, and while her girl goo dribbles onto his full balls it isn't long before her hard work gets rewarded with a bonus of cum. ♣

**Describe the significance of the tattoo on your right side.**

'There once was a girl who didn't know love until a boy broke her heart.' My tattoo is a reminder to make better decisions. Now, I would probably rethink the tattoo especially the size and location on my body. The thing is huge.

**What is your favorite type of sexual act?**

I really enjoy giving blowjobs. They are a lot of work; hence the word 'job,' but I really enjoy them. I am a giver.

**Do you have a particular cocksucking technique that you would like to share with the world?**

Sure, I am a very good deep-throater. I don't have a gag reflex. That skill comes in handy. I'm able to get the stringy, thick spit when I'm deep throating. I try not to use my hands all that much. I'd rather let my mouth and my throat do the work. Some guys really like hand play but I usually try to keep things hands free. I can do pretty well with just my mouth and always try to add in some ball play.

**Do you have any secret phobias?**

I'm terrified of clowns. They are so creepy. I can handle spiders and other squirmy things, but clowns are a total no-no. When I was little, my parents took me to Las Vegas to see a Cirque du Soleil show. I was sitting in an aisle and there was a point in the show when a clown went out into the crowd and started messing with people— removing someone's hat and placing it on someone else's head, stealing people's popcorn, etc. Anyhow, he came up to me and started laughing really loudly in my ear. I couldn't get away from him. It was a dark theater and I felt trapped by him. I think that's where my fear began.

**What a terrible story. We can totally understand your fear. With that said, is it safe to assume that you are not a fan of the 'clown porn' that is out there?**

No way! I don't get it. I have friends that joke with me about doing clown porn. Let me just say, that wouldn't be sexy for anyone involved. I'd probably be crying the entire time. (Laughs)

**Are you able to have squirting orgasms?**

I am able to squirt, but it is very difficult for me. I know some girls squirt very easily, but I am not one of them. The person needs to really know what they are doing. I've only squirted from finger play. I'm sure there is a man out there that is able to make girls squirt with his dick, but I haven't met him yet. If you don't want to get wet, then don't turn on the faucet. (Laughs)

**What is your sexiest physical attribute?**

I get a lot of compliments on my butt, but I really like my hair. I have really thick, long hair that is all natural. I don't have any hair extensions or enhancements. All of this hair is real and all mine. I'm so thankful. People also like my eyes and my breasts.

**Are you bisexual on and off camera?**

Yes, I am. I enjoy women. It's so damn frustrating when I'm performing with girls

that really don't enjoy girls. It makes things twice as hard for me. I have to pick up their slack in order to turn out a strong scene. If you don't like girls, don't sign up for the job! Mostly, it sucks for the fans. They deserve a good, strong scene every time.

**What do people enjoy doing with those beautiful boobs?**

People love jiggling them and motor boating me. I love motor boating. I think it's fun. I love the sound.

**Before porn, did you have a career as a mainstream model?**

No, actually, I worked for Green Peace. I used my height though in college by playing volleyball. I was also on the crew team. I enjoy athleticism and participating in sports.

**Why do you find the adult industry the right fit for you?**

Unfortunately, the adult industry gets a bad rap sometimes. I feel that if you do things the right way, it can be a really rewarding experience. For me, I've learned so much about myself, and my sexuality. Porn has also helped make me more confident about my body. I'm also more outspoken. I used to be really shy. Now, I can talk with people more freely and not shy away from them. There is also a lot of freedom in porn that allows me to pursue other interests too. Porn is very flexible. It's a lot different now for me than when I first started. I'm much wiser now. When I started, I was very

naive. I didn't look at it as a business. I was in porn for the fun and for the partying. As I've gotten older, I've learned to appreciate it and work it as a business.

**Are you on the feature dance circuit?**

I'm planning on starting a feature dancing tour next year. I haven't done it yet because I have such bad stage freight. I'm trying to get over that. I love dancing. I want to perform. I even have a pole that I practice on at home.

**So you have been practicing some sexy routines at home?**

Yes! I've also been sewing some costumes as well. So far, I have a military costume and a nurse costume. I buy costumes and then take them

apart. I add Velcro pieces and rhinestones to them to make them more stage-friendly. My goal is to put on an actual show and not just get up there and wiggle around.

**What is your favorite form of masturbation at home?**

I have an old-fashioned vibrator that plugs into the wall. That is my go-to every time. He is my old faithful. He has turbo-twat speeds. I keep him under my pillow. Sometimes it's funny when a guy sleeps over and finds my friend under my pillow. My vibrator has a mind of its own. He likes jumping all over my bed.

**If you weren't in porn, what would you be doing?**

I would probably be a struggling artist or going to school for business. I love painting. I do acrylic and oil paintings. I'm going to make my paintings available for purchase on my website. I want to start creating commission pieces for my fans. I think they might enjoy having my artwork hanging on their walls.

**Do you have a particular perfume or scent of lotion that you enjoy wearing?**

I wear a perfume called Chance by Chanel. I have been a loyal Chanel wearer for years. When you are watching my scenes, you can spray my perfume on the pillow next to you. That might add to your experience.

**What are you wearing right now?**

I am naked. I'm lying on my bed, doing this interview butt ass naked! ♣

**W**e are the perfect lesbo lovers, and there's nothing we won't try. We let our fingers do the walking and the talking. And our tongues do the stroking."

Leila lasciviously licks her lips in anticipation of invading Whitney's wonderland.

"What could be bad, except us?" giggles Whitney in between sucking on her lady friend's luscious ta-tas. "And when we're bad, we're really, really bad and that's really, really good!"
